

## Mid-Atlantic Region

## Ferrari Tech Session, Swap Meet, & Classiche Program @ Ferrari of Washington

**Saturday, February 6<sup>th</sup>, 8:30 am to 1:00 pm**

Even though the spring driving season is a mere 60 days away, what better way to prepare for it than to attend our first event of 2010? In conjunction with FCA-MAR, FoW will be hosting a most unusual tech session complete with a swap meet/FoW Garage Sale along with a complete walk thru of the Ferrari Classiche Program – led by John Amette who is one of the world's authorities on the program.

A complimentary breakfast will be served at 8:30 to start the program off right. Bring your Ferrari parts/literature etc to sell or swap. FoW will also have a garage sale for their older model parts inventory. Tables will be provided to display your items (just let Erin know)

Please RSVP by February 3<sup>rd</sup> to FoW's Erin Dean at 703.478.3606. For more info, contact Neal Baron during work hours, M-F at 202-364-1600 or at [neal.baron@wellsfargoadvisors.com](mailto:neal.baron@wellsfargoadvisors.com).
